

**APPLICATION FOR PARKING PERMIT and
VEHICLE INVENTORY**

Villagio I Home Owners Association

The Homeowners Association has adopted rules and will begin enforcement of these rules pertaining to parking vehicles in garages and driveways and will only allow street parking to visitors. Residents will not be permitted to park their vehicles unless prior authorization has been made and only if stickers issued by the homeowners are displayed in the vehicles.

All items in this application must be completed in full. At least One vehicle must be parked in the garage. Thus, permits are only available for cars beyond what your garage and driveway holds. Limit 2 permits per qualifying home.

Please complete the following form and submit it for both vehicle Inventory information and permit consideration to either a current member of the Homeowners Association or Curtis Management.

How many vehicles do you currently use on a regular basis? _____
