ENTRANCE PAINTING!!

Hello Villagio!!

I hope you are doing great! OK, so it is time to repaint the front entrance of our community, and I wanted to save some money and have some fun with it! You are invited to come and paint, help, coach, or just get to meet a new neighbor!! Save the date for **Sunday, June 4th from 10-2pm!**

The Children from this picture **STILL** remember they helped paint it last time, back in 2007! We had a great time!

See you then!!
